

COLLEGE BOARD NOMINATIONS

Ellenbrook Secondary College is an Independent Public School (IPS) with over 1700 students, 105 teaching staff and 65 support staff. Situated within the City of Swan, our community is growing and thriving and the College seeks to contribute to and benefit from that growth with staff who are dedicated to supporting and developing the youth of our community.

The College Board has the fundamental purpose of enabling parents and members of the community to engage in activities that are in the best interests of students and to enhance the education provided by the school. This includes activities that will improve an educational program of the College or the management of the College's facilities.

Members of the Board will support the school through endorsement of the Annual School Report, monthly Financial Reports and the School Plan. On occasions, Board members are asked to join advisory groups such as the Facilities Sub-Committee. Further information can be found on our College [website](#).

We are currently seeking nominations from parents (6 positions available), community members (2 positions available) and staff members (2 positions available) to sit on the Board for 2018 - 2020. If you are interested in being a member please complete the nomination form below.

The completed form can either be handed in to the office reception or emailed to Principal Dr. Peter Havel via elaine.barrett@education.wa.edu.au by 4pm on 16 February 2018.
